PROFESSIONAL EXPERIENCE

PT Merak Chemicals Indonesia (MCCI)

Dec 2025 - May 2026

Corporate Social Responsibility & General Affairs Intern

Cilegon, Banten, Indonesia · Magang Hub Kemnaker RI program (Cert. No. MN.036.012371.02.2025) - rated "Sangat Baik" (Excellent)

CSR & Community Development

- Coordinated 10+ community-based programs across literacy (Saung Aksara village reading room), nutrition (Kebun Gizi food garden), and UMKM mentoring in Gemara village, Cilegon.
- Mentored a local UMKM (Kacang Umpet traditional snack producer) on packaging redesign, sponsorship integration, and Indonesian Halal certification compliance.
- Organized Idul Adha distribution, Ramadhan sembako distribution, and the Mudik Gratis program with the Mayor of Cilegon, engaging 200+ beneficiaries.
- Produced documentation and reporting on participants, outcomes, and program effectiveness for management review and external partners.

Data Analytics & Reporting

- Built the team's first Instagram analytics dashboard in Microsoft Power BI, enabling weekly engagement tracking, content performance review, and editorial planning.
- Presented analytics insights to the Corporate Affairs team and senior management.
- Maintained activity documentation, photo/video assets, and event reports for archival and reporting.

General Affairs Support

- Supported daily operational activities and coordinated an industry tour for engineering students from Institut Teknologi Sepuluh Nopember (ITS).
- Maintained vendor communication and event logistics for company-sponsored CSR programs.

RESEARCH & ACADEMIC WRITING

Undergraduate Thesis (Skripsi) - Customer Loyalty (KFC Margonda, Depok)

"The Influence of Promotion, Service Quality, and Brand Image on Customer Loyalty, with Customer Satisfaction as an Intervening Variable" - quantitative marketing research in the F&B/QSR industry.

Scientific Paper (Penulisan Ilmiah) - Customer Satisfaction (ShopeePay Digital Wallet)

"The Influence of Promotion, Service Quality, and Ease of Use on Customer Satisfaction" - consumer-behavior study in digital payments/fintech.
